

Cell Tic-Tac-Toe

Choose 3 projects to complete. Your choices should be in a straight line across, down, or diagonally, just like a real tic-tac-toe game. Please HIGHLIGHT the projects you picked and attach this sheet, with your name at the bottom, to your projects.

<p>Draw and label both a plant and an animal cell with all of the appropriate organelles.</p>	<p>Pick an organelle and write a short story called "A Day in the Life of a _____." Include at least 3 organelles in your story.</p>	<p>Create a 10-question multiple choice quiz. Include an answer key.</p>
<p>Make a list of body parts that serve the same function as each of the organelles. Your list should be in the form of a chart. The first column will list the organelle, the second will have the corresponding body part, and the third will show how they are alike or different.</p>	<p>Create a set of flashcards for at least 15 different vocabulary words relating to cells and their organelles.</p>	<p>Create a song, rap, or poem about the processes of mitosis and meiosis.</p>
<p>Make a flip book about organelles. Include a drawing and description of one organelle on each page.</p>	<p>Create a crossword puzzle about cells with at least 10 different words and hints for each word. Include an answer key.</p>	<p>Create a Venn diagram comparing and contrasting prokaryotic and eukaryotic cells.</p>
